Teaching Policies, Procedures and Parental Responsibilities

- 1.1 Kingfisher Swim School's regular swimming teachers are fully qualified and have current enhanced disclosure checks.
- 1.2 Teachers will take responsibility for swimmers during their swimming lessons, but parents /guardians must remain on site so that, if required, the parent/guardian can deal with toilet breaks or any behavioural issues. Kingfisher Swim School staff will not take swimmers to the toilet.
- 1.3 Parents/guardians of swimmers must remain on the premises whilst the swimmer attends their swimming lessons. This is imperative in case of the unlikely event of a medical emergency, building evacuation or other emergency situation.
- 1.4 Parents/guardians must never distract the teacher during a lesson and should direct all communication to the teacher after the lesson. If this is not appropriate, please contact Kingfisher Activities via email, and someone will respond as soon as possible.
- 1.5 Please arrive 5 minutes before your child's lesson is due to begin.
- 1.6 Swimmers can be refused entry to the lesson if they are more than 5 minutes late for a class, as it disrupts the lesson for the other swimmers.

Changing Facilities

- 2.1 At all locations, there are limited changing facilities. We therefore recommend that swimmers arrive at lessons "pool ready".
- 2.2 All swimmers must remain supervised at all times whilst in the changing rooms, toilets and when poolside.
- 2.5 Please remove outdoor shoes and place them in the free lockers by the entrance to the pool.

Illness

- 3.1 If you, your child, or a member of your household is unwell, please do not attend the lesson.
- 3.2 You do not need to notify us of your child's absence. If you would like to do this, it can be done via the Parent Portal.

Learn to Swim Programme

- 4.1 Our 'Learn to Swim' programme classes are held over a 30-minute timeslot which includes time to take registers.
- 4.2 Swimmer-to-teacher ratios have been developed in line with Swim England guidelines. As a norm, our internal standard is one teacher to 6 swimmers. We reserve the right to extend this in exceptional circumstances.
- 4.3 Teaching assistants might be used in class to aid our teachers in delivering our programme. Where teaching assistants have been supporting in lessons, we reserve the right to remove this support at any time. As part of our teaching assistant development pathway, teaching assistants will be regularly rotated around our teachers and placed where operationally required.
- 4.4 Kingfisher Swim School reserves the right to combine classes at short notice if necessary.

Swimming Lessons; Dress-Code

- 5.1 All children should wear appropriate clothing; swimming costumes and trunks. These should be tight fitting to reduce drag in the water.
- 5.2 Additional layers such as swim tops and wetsuits are allowed providing they do not hinder the swimmer's ability in the water.
- 5.3 Goggles and swimming hats are optional, but they are recommended.
-

5.4 No jewellery to be worn during the swimming lessons. This includes necklaces, earrings, watches etc. Religious items may be worn providing they are not a hazard to the individual swimmer or other swimmers in the class.

Individual Swimmers Progression

6.1 All swimmers in our Learn to Swim programmes are working towards the Swim England Learn to Swim Framework with set assessment items per level.

6.2 Joining pupils will be assessed during their first lesson and may be moved into an appropriate class if it is deemed necessary.

6.3 Teachers continually assess all swimmers' progression throughout the term using our online portal.

6.4 Progression of all swimmers will be at the teacher's judgment and per the progression within the criteria of Learn to Swim Framework alongside professional judgment.

6.5 Swimmers will be moved up to the next class when they meet the required skills and if there is adequate room in the next level.

6.6 Upon completion of a level, the parent/guardian will be contacted explaining that the child is ready to move to the next level.

6.7 Due to the continuous progressive nature of our programme, and the variety of ability levels within each session, we cannot guarantee a specific time slot on progression, as a space within the next level may not always be immediately available.

Swimming Lesson Payment

7.1 All fees for swimming lessons must be paid in advance of the lessons.

7.2 All fees are non-refundable.

7.3 Fees for lessons are taken, on average, 1 month in advance of the term starting. Fees will be charged to the on-file card you have entered into the Parent Portal and will cover all lessons in the term ahead. If there are five lessons in the term, you will be charged five lessons. 7.10 While our standard policy requires a one month notice for termination or cancellation, Kingfisher Swim School reserves the right, at our sole discretion, to waive this notice period under specific circumstances.

11.4 If a teacher is absent, Kingfisher Swim School reserves the right to join classes together if appropriate and safe according to Swim England guidelines. We would always try to arrange a replacement teacher immediately however, if this is not manageable, we would put the classes together in order to avoid cancellation. This would be an extremely rare occurrence as additional teachers are usually available to cover any such eventualities.

Communication

12.1 We like to encourage communication and welcome issues to be raised with our team. If it is not appropriate to talk to the teacher on the day, please do contact us via email info@kingfisheractivities.co.uk

12.3 At Kingfisher Swim School, our goal is to ensure equitable and respectful treatment for all customers in an efficient manner. We anticipate that our customers will reciprocate this respect to our teachers, teaching assistants, office team, partner organisations, and any other representatives. If you would like a picture of your child in lessons, please ask your child's teacher. They will be able to ensure no other swimmers are in the image and advise on a suitable time to capture it. Our teachers reserve the right to decline your request.

We reserve the right to request that your child should be removed from classes should they persistently disrupt or are seen to be putting themselves or anyone else at risk during the class. If a child is removed under these circumstances and suitable alternative arrangements cannot be made, no refund will be provided.
